

# Quick Start Guide

## Vessel Setup & Report Upload

1

### Uploading a Vessel Report

- ✓ Upload OCIMF Report → Soon after login you can see the upload button
- ✓ Click Upload SIRE 2.0 Report
- ✓ Vessel Reports → See extracted reports
- ✓ Analysis generated & listed in Vessel Reports Page.

2

### Setting Up a Vessel

- ✓ Settings → Fleet → Create Fleet → Enter Fleet Name
- ✓ Superintendent → Create Superintendent under your fleet
- ✓ Vessel → Create Vessel under the same fleet & superintendent
- ✓ Done! Vessel setup complete.
